

HOMEBOUND DELIVERY SERVICE

Polk County Public Libraries offer service to homebound residents of Polk County who are physically unable to visit the library.

Frequently Asked Questions

Am I eligible to receive homebound delivery services?

To receive services, you must be a resident of Polk County unable to visit the library.

What can I borrow?

Books, audiobooks, music CDs, DVDs, Library of Things kits, and items from the digital collection

Will I get materials that I like?

Items will be selected according to your suggestions and the areas of interest that you indicate on your application. You may also request specific items.

How often will you visit?

Once a month. Checkout periods for delivered materials are four weeks. A delivery schedule will be established after we review your application.

We deliver to residences, assisted living facilities, retirement homes, and nursing homes.

Would having access to our homebound services be beneficial to your quality of life? Ask a library staff member for an application today.
